Sir,

Sub: - **Cutting down the strength of contract workers will seriously impact quality of services - requesting to review the decision-reg.**

Ref: - **EF.I/ Genl.Corr./2017-18/KW dated 04.06.2019.**

We wish to draw your kind attention to the letter cited under reference, which is widely reported in the media also.

The crux of the letter is to reduce of the strength of the contract workers being engaged by BSNL, as a measure to reduce the expenditure. We wish to bring to your kind notice that, just a few months back, the circle administrations have reduced the strength of the contract workers to the extent of 30% based on the Corporate Office letter.

It is needles to state that the contract workers are engaged for the maintenance of important networks and installations in BSNL. Hence, further reduction of the contract workers, in addition to the 30% reduction already done, will seriously hamper the quality of our services.

Hence, it is requested that the issue may kindly be revisited. In this connection, your kind attention is invited to the various suggestions already given to the BSNL Management, by the Recognised Unions and Associations, with regards to the implementation of austerity measures in BSNL. It is a matter of regret that no meaningful action is taken on those suggestions, by the Management. Once again we urge upon the Management to seriously act upon those suggestions, instead of cutting down the strength of contract workers, which will lead to the deterioration of the quality of our services.

Thanking you,

Yours sincerely,

[P. Abhimanyu]
General Secretary
