Sir,

Sub: Issue of Presidential order to the officials appointed on or after 1-10-2000 - reg.

The Presidential order issued to the staff recruited by DOT and appointed after 1-10-2000 has been cancelled by the administration. It is also decided to recover EPF instead of GPF from their salary. The officials were actually recruited by DOT and appointed by BSNL. As the training period has been decided to be counted as service, the date of appointment is to be readjusted to the date that will come taking into account the training period. Moreover as per Order No.40-12/2007 Pen(T), Ministry of Communication & IT Department, <sup>it</sup> is clear that the pension liability will not be borne by BSNL to those employees ~~that~~ <sup>who</sup> recruited directly by BSNL on or after 1-10-2000. Here these officials were recruited by DOT and hence be treated as DOT employees and PO may be issued and also they may be covered under GPF scheme. Our CHQ has also taken up the case <sup>with etc</sup> to Corporate office. I request you that GPF may be recovered from these officials till a final decision is taken by Corporate Office.

Thanking you

Yours faithfully

K.Mohan  
Circle Secretary.
